Whether you are ready or not, the EU General Data Protection Regulation (GDPR) goes live on May 25, 2018. It will impact companies doing business in the US as much as any other EU legislation. To help US companies prepare, Jonathan Armstrong and Tom Fox have started a 'Countdown to GDPR' podcast. In this premier episode we discuss what is GDPR and why it is so important that you begin preparing now.

For more information, visit [Cordery GDPR Navigator](#), which provides a wealth of information to utilise in your data privacy compliance program.

You can access the Tom Fox 'Compliance and Ethics website for more background information [here](#)

Finally, Jonathan Armstrong will be in Houston on April 10, 2018 to put on a 3-hour workshop on GDPR. The event will be held at the South Texas College of Law, from 9-12 PM. You can find out more information on the event and register by going to the [GHBER.org](#) site.
