Episode 139: Internet companies seek to preserve CDA section 230 immunity

Date : March 2, 2015

In this episode Eric and Jonathan look at a recent case in the US which could determine the liability ecommerce sites have for what takes place on their platform. In this case the user of a modelling site sought to sue the site after someone she met on the site caused her harm. How will the courts deal with this issue? Would this situation in Europe be the same?

TechLaw10 is a 10-minute audio podcast update from U.S. lawyer Eric Sinrod (Duane Morris) and UK lawyer Jonathan Armstrong (Cordery) where they share insights on developments where technology intersects with the law in the EU and the U.S. These well-known commentators are sought out in the media for their opinions on breaking news and developing trends. Whether you are in North America or Europe, now you can hear directly from them regarding the latest technology issues at home and across the pond.
