Welcome to the only roundtable podcast in compliance. The genesis of Everything Compliance was our first podcast three years ago at SCCE in Chicago. We reconvene for this week's episode, our 36th, at the SCCE 2018 Compliance and Ethics Institute. This year we record in Las Vegas.

We have a potpourri of topics and free flowing conversation, including:

1. Reflections on the 2018 SCCE Compliance and Ethics Institute.
2. The SEC tenure of Chairman Jay Clayton.
3. How a 360 degree of communication facilitates organizational justice and why that is critical for the compliance professional.
4. The compliance implications from Brexit.
5. Rants and shout outs from each member of the panel.
