

## Privacy Shield Podcast Interview

**Date :** January 31, 2017

Cordery Lawyer, Jonathan Armstrong, has been speaking with Leona Lewis, the Founder of ComplyEthic Consulting LLC on the issues surrounding Privacy Shield with last week's announcements by the new Trump administration. Jonathan and Leona discuss the current situation, some additional challenges to Privacy Shield and which businesses are likely to be affected. Jonathan also looks at the need for multinational organisations to monitor developments.
