

## Blog: GDPR: New Data Protection Rules in the EU

**Date :** February 21, 2017

Cordery lawyers Jonathan Armstrong and André Bywater have written a paper for Imperva on the security aspects of the General Data Protection Regulation (GDPR). The paper looks in detail at the security obligations imposed by GDPR, security breach reporting requirements and the importance of data security issues being addressed in Data Protection Impact Assessments (DPIAs).

You can download the report here <https://www.imperva.com/lg/lgw.asp?pid=578>.

You can also find an explanation for some of the technical terms used in this note here - <http://www.corderycompliance.com/eu-data-protection-glossary/>.

In addition to this whitepaper Cordery have extensive materials and resources on the security obligations of the GDPR in Cordery GDPR Navigator an extensive series of briefing notes, films and structured peer to peer workshops to help gain a thorough understanding of the GDPR.

Jonathan and André are lawyers with Cordery in London where their focus is on compliance issues.
