

Client Alert: Cordery Breakfast Briefing with Tom Fox

Date : November 8, 2017

Yesterday one of the US's leading compliance experts, Tom Fox, joined us in London to discuss the hot compliance issues of the day with some of our clients and friends over breakfast. We took some of the themes we discussed in that roundtable and made three short films.

Paradise Papers

In the first of these short films, Tom and Jonathan discuss the 'Paradise Papers' leaks and what they might mean for compliance.

Tom and Jonathan also discuss the earlier Panama Papers leak involving the leak of more than 11½ million documents from the Panamanian law firm Mossack Fonseca. You can find out more about that here <http://www.corderycompliance.com/mossack-fonseca-panamaleaks-breach-has-significant-compliance-consequences-for-most-businesses/>

Disruptive Companies

In the second film, Tom and Jonathan discuss disruptive companies and their attitude to compliance. They talk about the lessons to be learnt from Uber and how start-up businesses can get compliance right.
