

## **Client Alert: SCCE Web Conference - Brexit Implications for Data Protection and Cybersecurity Issues - February 06, 2019**

**Date :** January 25, 2019

### **The SCCE are hosting a web conference on 6 February 2019**

The session will be led by Cordery Partner Andre Bywater who has considerable experience of advising on EU-related issues from his time in London and previously when based in Brussels.

### **This presentation will cover:**

- The UK's expected departure from the EU in March 2019 will have a major impact on data protection rules;
- What are the issues concerned by this and what practical compliance steps should be considered?;
- What possible Brexit impact might there also be on EU cybersecurity rules (referred to in the UK as the NIS regime)?

### **Target Audience:**

- In-house counsel, data protection officers and compliance officials

You can register for this conference [here](#)
