

Everything Compliance - Episode 101 - The Glencore Edition

Date : June 9, 2022

Jonathan Armstrong joins the 101th episode of the Everything Compliance podcast where the theme is bribery and corruption including one of the biggest global bribery cases so far involving Glencore. Jonathan explores the Glencore investigation from the UK perspective. He also looks at the Serious Fraud Office's prospects of bringing individual prosecutions. And he looks more generally at the current state of bribery enforcement in the UK. You can also read some of Jonathan's thoughts on Glencore here <https://www.corderycompliance.com/oil-bribery-news/>.

In the shout out and rants section Jonathan shouts out to the Queen's Platinum Jubilee and to Sir Andy Murray for speaking out as a survivor of a school shooting in the wake of events in Texas.
