

## Episode 128: FBI warns of cyber dangers - When, Not If

**Date :** September 19, 2014

This week's podcast discusses ways that businesses can proactively protect themselves and their customers from cyber attacks and how they can respond from a legal perspective once a data breach has occurred.

**TechLaw10** is a 10-minute audio podcast update from U.S. lawyer [Eric Sinrod](#) (Duane Morris) and UK lawyer [Jonathan Armstrong \(Cordery\)](#) where they share insights on developments where technology intersects with the law in the EU and the U.S. These well-known commentators are sought out in the media for their opinions on breaking news and developing trends. Whether you are in North America or Europe, now you can hear directly from them regarding the latest technology issues at home and across the pond.
