

Episode 136: Right to be forgotten, right to get it wrong and (don't you) forget about me

Date : January 29, 2015

This week's podcast looks at a possible right to be forgotten in the US. Will the US follow Europe's lead in creating a right to be forgotten? Should it? What issues would this cause?

TechLaw10 is a 10-minute audio podcast update from U.S. lawyer [Eric Sinrod](#) (Duane Morris) and UK lawyer [Jonathan Armstrong \(Cordery\)](#) where they share insights on developments where technology intersects with the law in the EU and the U.S. These well-known commentators are sought out in the media for their opinions on breaking news and developing trends. Whether you are in North America or Europe, now you can hear directly from them regarding the latest technology issues at home and across the pond.
