

Episode 149: Did video actually save the music star?

Date : June 23, 2015

In this week's podcast Jonathan and Eric look at The Buggles's seminal late 70s hit Video Killed the Radio Star and ask – were The Buggles right? Jonathan and Eric look at some YouTube success stories including The Piano Guys & Justin Bieber and the recent spat between Taylor Swift and Apple. Video, and YouTube in particular, seems to make not kill music stars, some of them from unconventional backgrounds. Has music changed for good? What are the technology law lessons to be learnt?

TechLaw10 is a 10-minute audio podcast update from U.S. lawyer [Eric Sinrod](#) (Duane Morris) and UK lawyer [Jonathan Armstrong \(Cordery\)](#) where they share insights on developments where technology intersects with the law in the EU and the U.S. These well-known commentators are sought out in the media for their opinions on breaking news and developing trends. Whether you are in North America or Europe, now you can hear directly from them regarding the latest technology issues at home and across the pond.
