

Episode 150: Seeking to insure cyber risks

Date : July 7, 2015

In this episode Eric and Jonathan look at the issues around cyberinsurance. They look at the role of Lloyd's in the world of cyber and how the planned new European Data Protection Regulation could affect insurance. They also look at the rise of data protection class actions in Europe and how they could affect cyberinsurance availability and premiums.

TechLaw10 is a 10-minute audio podcast update from U.S. lawyer [Eric Sinrod](#) (Duane Morris) and UK lawyer [Jonathan Armstrong \(Cordery\)](#) where they share insights on developments where technology intersects with the law in the EU and the U.S. These well-known commentators are sought out in the media for their opinions on breaking news and developing trends. Whether you are in North America or Europe, now you can hear directly from them regarding the latest technology issues at home and across the pond.
