

Episode 250: Another State Law Seeks To Protect Consumer Data

Date : June 17, 2019

In this podcast Eric and Jonathan look at the growing trend towards data protection legislation in the US.

They focus on Maine whose new law comes into force on the 1st July.

What are the lessons to be learnt? How does the GDPR experience guide us in thinking what might be involved?

TechLaw10 is a 10-minute audio podcast update from U.S. lawyer [Eric Sinrod](#) (Duane Morris) and UK lawyer [Jonathan Armstrong \(Cordery\)](#) where they share insights on developments where technology intersects with the law in the EU and the U.S. These well-known commentators are sought out in the media for their opinions on breaking news and developing trends. Whether you are in North America or Europe, now you can hear directly from them regarding the latest technology issues at home and across the pond.
