

## Episode 251: Sirens Sound for Police in GDPR Enforcement Action

**Date :** July 9, 2019

In this week's TechLaw10, Jonathan and Eric discussed the UK Data Protection Authorities Enforcement Action against the Metropolitan Police Service for issues with dealing with Subject Access Requests under GDPR.

They talk about the GDPR regime, the lessons to be learned and the prospects of the Police facing criminal proceedings for failure to deal with these important data protection rights.

**TechLaw10** is a 10-minute audio podcast update from U.S. lawyer [Eric Sinrod](#) (Duane Morris) and UK lawyer [Jonathan Armstrong \(Cordery\)](#) where they share insights on developments where technology intersects with the law in the EU and the U.S. These well-known commentators are sought out in the media for their opinions on breaking news and developing trends. Whether you are in North America or Europe, now you can hear directly from them regarding the latest technology issues at home and across the pond.
