

## Episode 269: Cordery Head to Head @ Home - Eric Sinrod on ransomware & new legislative proposals to ban payments

**Date :** August 11, 2021

<https://youtu.be/OCYKsMqTB7s>

In this edition of Cordery Head to Head @ Home Cordery's Jonathan Armstrong talks to Professor Eric Sinrod from his home in California. They reflect on recent developments with ransomware and the issues behind ransomware payments.

Jonathan talks about some of the issues to consider when contemplating paying a ransom. Some of those reasons are outlined in our alert here <https://bit.ly/ransompay>.

Eric talks about proposals to ban ransomware payments in the US both at a State and Federal level. There are details of the proposed Cyber Response and Recovery Act here <https://bit.ly/3s3VVxy>. Eric also mentions proposed legislation in New York, North Carolina, Pennsylvania & Texas.

There are details of the extension to the NIS regime which Jonathan talks about here <https://www.corderycompliance.com/client-alert-nis-2-directive/>
