

Client Alert: GDPR - The First 2 Years - Part 2

Date : May 25, 2020

<https://youtu.be/D45g1x23hqQ>

Today, Monday 25 May, is the second anniversary of the coming into force of the General Data Protection Regulation (GDPR) and indeed the UK Data Protection Act 2018 (DPA 2018).

In this film Cordery's André Bywater looks at 3 of his favourite cases from the first 2 years of GDPR enforcement. He looks at key features of each of the cases and the lessons learned.

André 3 cases are:

Google in France - <https://bit.ly/GDPRgoogle>

PwC in Greece - https://edpb.europa.eu/news/national-news/2019/company-fined-150000-euros-infringements-gdpr_en

DPO case in Belgium - <https://bit.ly/bedpo>

There's more news on data protection topics here <https://www.corderycompliance.com/category/data-protection-privacy/> and more information on Cordery's data protection work here <https://www.corderycompliance.com/data-protection-privacy/>

You can see more films and subscribe to make sure you're the first to know about new content at www.bit.ly/corderytv

This is the second of two films - you can see the first film from Jonathan Armstrong with 3 of his favourite cases here <https://www.corderycompliance.com/gdpr-first-2-year-part-1/>

For more information please contact Jonathan Armstrong or André Bywater who are lawyers with Cordery in London where their focus is on compliance issues.
