

GDPR Readiness Test

Date : January 19, 2018

Our GDPR Readiness Assessment which we launched 30 August 2016 has now been upgraded in partnership with Auth0 and you can take the revised test [here](#)

Information that you submit in connection with the test will be handled by Auth0 in accordance with their privacy policy. You can find the Auth0 privacy policy [here](#)

Taking the GDPR Readiness Test does not create a lawyer-client relationship. You should always seek the advice of competent counsel. Our Website Terms and Conditions are [here](#) and our Privacy Policy is [here](#).

Also check out [Cordery GDPR Navigator™](#). It's an expansive set of resources and a community of peers to help companies get ready to face possibly their biggest compliance project of the next few years. Your annual subscription provides access to:-

- Video briefings
- Written guides
- Policies and procedures
- Networking with your peers
