

ICO Annual Report launch

Date : July 6, 2015

Andre, Gayle, Jonathan and Robert went along to the launch of the UK Information Commissioner's Annual Report in Westminster last week. We all tweeted from the event and we thought a summary of our tweets in the storify [here](#) would give a flavour of the event and what the ICO and his team said. A pdf version is [here](#).

We've also written recently on some of the hot topics from the Report including:

- [The right to be forgotten](#)
- [The Vidal-Hall case](#)
- [The rise of class actions in Europe](#)
- [The new EU General Data Protection Regulation](#)
- [The legal issues with CCTV](#)
- [The Information Commissioner's registration regime](#)
