

Life with GDPR Episode 62 - EU Whistleblower Directive-Part 1

Date : October 28, 2021

Jonathan Armstrong is on assignment in Cornwall so for this episode, Cordery Compliance co-founder Andre Bywater joins Tom Fox to discuss the upcoming EU Whistleblower Directive go live date of December 17.

This is Part 1 of a special 2-part episode. Some of the questions we consider include:

1. Why is the EU tackling whistleblowing & what EU areas fall in scope?
2. Who can be a whistleblower?
3. What about anonymity and confidentiality?
4. Which whistleblowing route should a whistleblower follow?
5. Are there any record-keeping obligations?
6. Is retaliation prohibited?
