

Life With GDPR: Episode 43 - Verbal Reporting under GDPR

Date : May 16, 2020

https://youtu.be/NWya_Txdk4Y

In this episode Jonathan Armstrong and Tom Fox discuss issues relating to data privacy, data protection and GDPR.

Today, they look at the issue of verbal reporting under GDPR in the context of the case of Scott v. LGBT Foundation.

Some of the highlights are:

- What were the issues and interests involved in this case?
- What is a relevant filing system for automated data under GDPR?
- When does the public health and safety outweigh data privacy?
- Was Scott's data processed by the LGBT Foundation?
- What is the necessity test?
