

Jonathan Armstrong to speak at Relativity Fest in Chicago

Date : September 9, 2022

Thousands of delegates from the e-discovery and compliance communities attend Relativity Fest every year to discover faster, better ways to work. The conference challenges attendees to rethink how they conduct e-discovery and compliance with engaging panel discussions, hands-on exercises, breakout sessions, and insights from leaders in the industry—from judges and analysts to practitioners from around the world. This year users can attend in person in Chicago or online.

Jonathan Armstrong will be speaking at this year's Relativity Fest in Chicago on the International Panel chaired by eDiscovery supremo, David Horrigan. The panel promises to be a wide-ranging discussion on hot topics in eDiscovery, investigations, data protection/privacy and data transfer. The International Panel is on 28 October 2022 and there are details of the conference here <https://relativityfest.com/>
