

## **SCCE webinar - Modern Slavery & Supply Chain Compliance in the UK & the EU - November 16, 2021 • 12:00 pm Central Daylight Time (CDT) • 90 minutes**

**Date :** September 22, 2021

Cordery's Jonathan Armstrong and André Bywater will be presenting at this SCCE webinar.

This webinar will be of significant interest to those in compliance who help manage supply chains or whose organisation employs people in Europe. It will be of special relevance if they sell goods in Europe sourced from elsewhere.

The learning objective are:

- Understanding what the UK modern slavery regime is all about and what the key recent developments have been, including possible changes to the rules, the new registry and compliance letter campaign, and the UK Parliamentary inquiry into China
- Key developments to be aware of in the EU, including laws in EU countries and what looks like an emerging EU ESG regime
- Top tips for where you need to be to comply
