

Security Serious Week 2016

Date : September 9, 2016

Cordery is pleased to be supporting Security Serious Week which starts this year on 3rd October. Security Serious Week is five days dedicated to helping businesses take security more seriously. 2016 sees the week kick off on the 3rd October with a conference at the Department for Media, Culture and Sport and a keynote speech.

Cordery lawyer, Jonathan Armstrong, will be speaking on "Coping with the ever changing legal landscape – what does it mean for your security department?" with a focus on EU GDPR and data transfer.

Security Serious is backed by a number of UK Government departments and a number of household names. You can find out more about the campaign [here](#). During Security Serious week you can tweet using #securityserious.

You can find out more about Cordery's information security practice [here](#) and find articles about hot cyber security topics [here](#). You can also follow our tweets during the week @corderyuk
