

The law on using CCTV on your premises

Date : June 5, 2015

We've archived our original article from 2015 with the passing of GDPR. You can read more up-to-date information on CCTV and surveillance here <https://www.corderycompliance.com/client-alert-using-cctv-on-business-premises-dp-implications/>

For more information please contact Jonathan Armstrong or André Bywater who are lawyers with Cordery in London where their focus is on compliance issues.
